SUMMARY

Motivated Computer Engineering graduate with solid skills in Java, SQL, and full-stack development. Eager to contribute as an entry-level Software Developer by applying hands-on project experience and a strong problem-solving mindset. Committed to learning and growing with modern development tools.

EXPERIENCE

Virtual Software Engineering Intern
Walmart USA – Forage (Remote)   *June 2025*

- Built a custom heap data structure in Java for the shipping department.

- Designed UML and ER diagrams for scalable system and database design.

- Solved real-world technical problems across multiple Walmart teams.

Virtual Software Engineering Intern
Telstra AU – Forage (Remote)   *June 2025*

- Developed REST APIs and integrated backend databases.

- Improved code quality through refactoring and clean-up tasks.

- Simulated work in a global tech environment, enhancing API and backend skills.

SKILLS

- **Languages**: Java, HTML, CSS, Javascript, Python, C++.
- **Frameworks/Libraries:** React js, Node.js, Spring Boot.
- **Developer Tools:** SQL, Mongo DB, sqlite3.
- **Course Work:** Operating System, Database Management System, Object-Oriented Programming, Computer Networks.

PROJECTS

Online Library Management System
Java, MySQL, HTML, CSS, JavaScript,   **(Jan 2024 – Mar 2024)**

- Developed a web-based system for managing books, users, and transactions.

- Implemented admin and student modules with login, book issue/return, and search features.

- Used MySQL for backend data storage and Java for business logic and database integration.

Image Steganography on Android
Java, Android SDK   **(Sep 2023 – Dec 2023)**

- Built an Android app to hide and extract text within images using steganography.

- Ensured data privacy with a secure, user-friendly interface for confidential message handling.

EDUCATION

B.E. in Computer Engineering
Navsahyadri College of Engineering, Pune, Maharashtra   *2020 – 2024 | CGPA: 6.98 / 10*

HSC – Science Stream
Progressive Science Junior College, Gondia, Maharashtra   *2020 | Percentage: 65%*

CERTIFICATION

- **SQL Bootcamp Certification – LetsUpgrade, NSDC (June 2024)**

- **Python Bootcamp Certification – LetsUpgrade, NSDC (May 2024)**

- **HackerRank SQL (Intermediate) – Certification (June 2024)**

- **Exploratory Data Analysis Level 2 (AI Ready) – Accenture, FutureSkills Prime (June 2024)**
